

# Charity VAT Health Check

## Manage risks and face VAT issues with confidence

- With no regular check-ups from HMRC, is your organisation at risk of VAT errors building-up?
  - Have you considered if you are paying too much VAT?
- Did you know that errors found by HMRC can lead to you paying the initial assessment plus up to 30% of the penalty?

## 1/2 day health check with VAT expert, Iain Masterton, Senior VAT Manager at Chiene + Tait

The health check will include a review of:

- VAT liabilities of income
- Grant funding agreements
- Partial exemption and non business calculations
- Use of reduced VAT rate concessions and VAT recovery position including (where possible) recommendations to improve position
- Systems and procedures

A tailored report with  
practical recommendations
